

# Bí Cineálta Policy to Prevent and Address Bullying Behaviour Garracloon NS

The Board of Management of Garracloon NS has adopted the following policy to prevent and address bullying behaviour.

This policy fully complies with the requirements of *Bí Cineálta: Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools 2024*.

The board of management acknowledges that bullying behaviour interferes with the rights of the child as set out in the United Nations Convention on the Rights of the Child. We all, as a school community, have a responsibility to work together to prevent and address bullying behaviour and to deal with the negative impact of bullying behaviour.

We are committed to ensuring that all students who attend our school are kept safe from harm and that the wellbeing of our students is at the forefront of everything that we do. We recognise the negative impact that bullying behaviour can have on the lives of our students and we are fully committed to preventing and addressing bullying behaviour.

We confirm that we will, in accordance with our obligations under equality legislation, take all such steps that are reasonably practicable to prevent the harassment of students or staff on any of the nine grounds specified: gender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

We confirm that we will take all such steps that are reasonably practicable to prevent the bullying or harassment of our students in whatever form and however motivated.

Catholic schools have a distinctive understanding of the human person, recognising that every person is created in God's image and likeness and has inherent dignity as a child of God. This is the basis for ensuring that each person in our school is treated with respect and care, in accordance with the Catholic Schedule.

As a Catholic school, we are committed to respecting the dignity of every individual. No human person is to be devalued, and all have an indispensable part to play in the school community, regardless of difference.

## **Definition of bullying**

Bullying is defined in *Cineáltas: Action Plan on Bullying and Bí Cineálta: Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools* as targeted behaviour, online or offline that causes harm. The harm caused can be physical, social and/or emotional in nature. Bullying behaviour is repeated over time and involves an imbalance of power in relationships between two people or groups of people in society. The detailed definition is provided in Chapter 2 of the Bí Cineálta procedures.

Each school is required to develop and implement a Bí Cineálta policy that sets out how the school community prevents and addresses bullying behaviour. Strategies to deal with inappropriate behaviour that is not bullying behaviour are provided for within the school's Code of Behaviour.

## Section B: Preventing Bullying Behaviour

This section sets out the prevention strategies that will be used by the school. These include strategies specifically aimed at preventing online bullying behaviour, homophobic and transphobic bullying behaviour, racist bullying behaviour, sexist bullying behaviour and sexual harassment as appropriate (see Chapter 5 of the Bí Cineálta procedures):

This section sets out the prevention strategies that will be used by this school to address all forms of bullying behaviour, in whatever form and however motivated, including online bullying behaviour, homophobic and transphobic bullying behaviour, racist bullying behaviour, sexist bullying behaviour and sexual harassment.

“In developing the preventative strategies which this school will use to prevent all forms of bullying behaviour, we come from the context of our Catholic ethos, where inclusivity permeates our school in a real way.”

“This school takes positive steps to ensure that the culture of the school is one which welcomes a respectful dialogue and encounter with diversity and difference by ensuring that prevention and inclusivity strategies are given priority and discussed regularly at our board of management and staff meetings.”

“The dignity and the wellbeing of the individual person is of paramount concern in our Christian response. This school will listen closely to and dialogue with parents, thereby building a relationship of mutual understanding, respect, trust and confidence.”

“In continuing to develop prevention strategies, this school will listen to young people and parents, to help establish their particular context and needs. Frequent periods of reflection and further engagement by the school, young people and parents, will be used to discern appropriate supports for young people in this school and to help inform future prevention strategies”.

Strategies to prevent cyberbullying behaviour include the following:

- implementing the SPHE curriculum
- implementing the Digital Media Literacy curriculum which teaches students about responsible online behaviour and digital citizenship
- having regular conversations with students about developing respectful and kind relationships online
- developing and communicating an acceptable use policy for technology
- referring to appropriate online behaviour as part of the standards of behaviour in the Code of Behaviour
- promoting or hosting online safety events for parents who are responsible for overseeing their children’s activities online\*

Strategies to prevent homophobic and transphobic bullying behaviour include the following:

- encouraging peer support such as peer mentoring and empathy building activities
- challenging gender-stereotypes
- encouraging students to speak up when they witness homophobic behaviour

Strategies to prevent racist bullying behaviour include the following:

- fostering a school culture where diversity is celebrated and where students “see themselves” in their school environment
- having the cultural diversity of the school visible and on display
- conducting workshops and seminars for students, school staff and parents to raise awareness of racism
- encouraging peer support such as peer mentoring and empathy building activities
- encouraging bystanders to report when they witness racist behaviour
- providing supports to school staff to respond to the needs of students for whom English is an additional language and for communicating with their parents
- providing supports to school staff to support students from ethnic minorities, including Traveller and Roma students, and to encourage communication with their parents
- inviting speakers from diverse ethnic backgrounds<sup>22</sup>
- ensuring that library reading material and textbooks represent appropriate lived experiences of students and adults from different national, ethnic and cultural backgrounds

Strategies to prevent sexist bullying behaviour include the following:

- ensuring members of staff model respectful behaviour and treat students equally irrespective of their sex
- ensuring all students have the same opportunities to engage in school activities irrespective of their sex
- celebrating diversity at school and acknowledging the contributions of all students
- encouraging parents to reinforce these values of respect at home

Strategies to prevent sexual harassment include the following, which is not an exhaustive list:

- promoting positive role models within the school community
- challenging gender stereotypes that can contribute to sexual harassment

The school has the following supervision and monitoring policies in place to prevent and address bullying behaviour (see Chapter 5 of the BÍ Cineálta procedures):

- Yard duty practice-teacher on yard duty at all times
- Open-door policy if teacher leaves the classroom
- Increased supervision in common areas
- Teacher present at all times while children are using Chromebooks
- SET/EAL teach accompanies the children on the stairs

## **Section C: Addressing Bullying Behaviour**

The teacher(s) with responsibility for addressing bullying behaviour is (are) as follows:

all class teachers

When bullying behaviour occurs, the school will:

- ensure that the student experiencing bullying behaviour is heard and reassured > seek to ensure the privacy of those involved
- conduct all conversations with sensitivity

- consider the age and ability of those involved
- listen to the views of the student who is experiencing the bullying behaviour as to how best to address the situation
- take action in a timely manner
- inform parents of those involved

The steps that will be taken by the school to determine if bullying behaviour has occurred, the approaches taken to address the bullying behaviour and to review progress are as follows (see Chapter 6 of the Bí Cineálta procedures):

**Determine if bullying behaviour has occurred:**

When identifying if bullying behaviour has occurred teachers should consider what, where, when and why?

- if a group of students is involved, each student should be engaged with individually at first
- thereafter, all students involved should be met as a group
- at the group meeting, each student should be asked for their account of what happened to ensure that everyone in the group is clear about each other's views
- each student should be supported as appropriate, following the group meeting
- it may be helpful to ask the students involved to write down their account of the incident(s)

**Where bullying behaviour has occurred:**

- parents are an integral part of the school community and play an important role, in partnership with schools, in addressing bullying behaviour. Where bullying behaviour has occurred, the parents of the students involved must be contacted at an early stage to inform them of the matter and to consult with them on the actions to be taken to address the behaviour
- it is important to listen to the views of the student who is experiencing the bullying behaviour as to how best to address the situation
- a record should be kept of the engagement with all involved
- this record should document the form and type of bullying behaviour, if known (see Section 2.5 and 2.7 of the Bí Cineálta procedures), where and when it took place and the date of the initial engagement with the students involved and their parents
- the record should include the views of the students and their parents regarding the actions to be taken to address the bullying behaviour

**Follow up where bullying behaviour has occurred:**

- the teacher must engage with the students involved and their parents again no more than 20 school days after the initial engagement
- important factors to consider as part of this engagement are the nature of the bullying behaviour, the effectiveness of the strategies used to address the bullying behaviour and the relationship between the students involved
- the teacher should document the review with students and their parents to determine if the bullying behaviour has ceased and the views of students and their parents in relation to this
- the date that it has been determined that the bullying behaviour has ceased should also be recorded
- any engagement with external services/supports should also be noted > ongoing supervision and support may be needed for the students involved even where bullying behaviour has ceased
- if the bullying behaviour has not ceased the teacher should review the strategies used in consultation with the students involved and their parents. A timeframe should be agreed for further engagement until the bullying behaviour has ceased
- if it becomes clear that the student who is displaying the bullying behaviour is continuing to display the behaviour, then the school consideration should be given to using the strategies to deal with inappropriate behaviour as provided for within the

school's Code of Behaviour. If disciplinary sanctions are considered, this is a matter between the relevant student, their parents and the school

- if a parent(s) is not satisfied with how the bullying behaviour has been addressed by the school, in accordance with the Bí Cineálta Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools. they should be referred to the school's complaints procedures
- if a parent is dissatisfied with how a complaint has been handled, they may make a complaint to the Ombudsman for Children if they believe that the school's actions have had a negative effect on the student

The school will use the following approaches to support those who experience, witness and display bullying behaviour (see Chapter 6 of the Bí Cineálta procedures):

The following principles must be adhered to when addressing bullying behaviour:

- ensure that the student experiencing bullying behaviour feels listened to and reassured
- seek to ensure the privacy of those involved
- conduct all conversations with sensitivity
- consider the age and ability of those involved
- listen to the views of the student who is experiencing the bullying behaviour as to how best to address the situation
- take action in a timely manner
- inform parents of those involved\*

All bullying behaviour will be recorded. This will include the type of behaviour, where and when it took place, and the date of the engagement with students and parents. The actions and supports agreed to address bullying behaviour will be documented. If the bullying behaviour is a child protection concern the matter will be addressed without delay in accordance with *Child Protection Procedures for Primary and Post-Primary Schools*.

#### Section D: Oversight

The principal will present an update on bullying behaviour at each board of management meeting. This update will include the number of incidents of bullying behaviour that have been reported since the last meeting, the number of ongoing incidents and the total number of incidents since the beginning of the school year. Where incidents of bullying behaviour have occurred, the principal will also provide a verbal update which will include where relevant, information relating to trends and patterns identified, strategies used to address the bullying behaviour and any wider strategies to prevent and address bullying behaviour where relevant. This update does not contain personal or identifying information. See Chapter 7 of the Bí Cineálta procedures.

This policy is available to our school community on the school's website and in hard copy on request. A student friendly version of this policy is displayed in the school and is also available on our website and in hard copy on request. This policy and its implementation will be reviewed, following input from our school community, each calendar year or as soon as practicable after there has been a material change in any matter to which this policy refers.
